According achieve apparent appreciate available
 average community conscience controversy definite
 desperate determined disastrous environment
 especially existence explanation government

Ways you can help your child this term:

- Refer to knowledge organiser to support understanding of key words and information from our topic.
- Encourage them to read as much as possible, at least 1 hr per week.
- TT Rockstars, Spelling Frame and Lexia will be influential on helping children reach their end of year 5 targets– 10 minutes a day will help.

In **Science, Design and Technology** we will be focussing on: **Forces**

Recognise that some mechanisms including levers, pulleys and gears allow a smaller force to have a greater effect.

For **Geography** we will be focussing on:

Describing and explaining the difference between weather and climate
Describing and explaining the climate of polar, temperate and tropical regions
Explaining what the greenhouse effect is and its link to global warming
Understanding how climate change is different from global warming
