Solent
interviewing
year 6
children

Five of our Year 6 pupils had the exciting opportunity to record with Rilee from BBC Radio Solent for the 'Everyday is a School Day' segment on their afternoon show.

The children came up with 25 thoughtful questions to share with listeners.

You can hear them featured on the show this week, Monday to Friday between 4:00pm and 4:30pm.

Please tune in to catch their super contributions!

Reverse Advent Foodbank Collection

Thank you for all the donations that have come in the week - it's amazing!

Please can we ask for donations of everyday essentials such as tinned meat, vegetables, as well as cleaning and toiletry items like washing-up liquid, shower gel and shampoo.

The foodbank are grateful for any donations you are able to give.

On Friday January 16th we are having our annual Big Me Day. Every year on that day we try to get as many visitors as we can to talk to our children about their jobs, so that our children start to understand the masses of possibilities for them out in the real world. Each year a number of our parents volunteer to come in and the children have loved it. This year we are asking our parents again if they would be happy to give up some of their time and come in, or if any other extended family members would be able to give up their time. It does not have to be for a long time, just a five minute introduction and then an opportunity for the children to ask questions. Of course if you are happy to talk for longer we would love that too. We have had volunteers from so many sectors, leisure, tourism, retail, building, the forces to name just a few. If you feel you might be able to give up some time on the 16th, or indeed any date around the 16th, we would be so grateful.

Please talk to Mrs Morris, your class teacher or the office team if you have any questions at all. There is also a form that you can fill out below if you are able to help in anyway at all with Big Me day.
