

Christmas at St Nics

The last week before Christmas is always the best
It brings JOY to our faces and even sometimes makes a mess.

Christmas cards handing out.

Christmas trees put up.

You can't go anywhere without St Nics fun.

Teachers praising children's last work.

Advent calendars finally being put up.

Year 6 last Christmas at St Nics.

What will next year's Christmas bring?

As there will never be the same amount of fun like Christmas
at St Nics.
