SUMMER TERM

Sports Day 12th June 2026

Historians spent Friday night poring over the record books after St Nicholas & St Laurence staged what may have been the most closely contested sports day of all time.

Just 40 points separated first from last – an astonishingly tight four-team competition given how many different disciplines are involved – and the shared success contributed to what must have been the noisiest event ever seen on this famous field.

Perhaps fuelled by the buzz of a World Cup summer, unprecedented levels of sports day energy were on display, with hearty cheers ringing out from start to finish. Red Team's sports day victory drought had gone on almost as long as England's in the World Cup, so scenes of raw emotion followed when Headmaster Mr Roberts announced the Reds had finally secured the trophy they had craved for so long.

An ebullient Grace Palmer, a Year 6 leaving her final sports day, said: "I can't believe we've done it at last. This is the moment we'd been waiting for. The Reds are champions. Maybe England will lift the World Cup on July 19th to make this the perfect sporting summer!"
