

Dear Parents and Carers,

I've been overwhelmed with the generosity and kindness shown through your support towards the MD collection arranged by our PTFA. It goes without saying how grateful the charity is for your donations; they will make a huge difference.

Thank you once again for your warmth and kindness during my time here. I am leaving with wonderful memories that I will cherish always, and I wish you and your families the very best for the future.

Warmest regards,

Mr Roberts
