Unlock your child's inner rockstar or classical maestro by signing them up for in-school music lessons! We offer fun, engaging lessons in guitar, piano, and drums, giving our children a wonderful chance to discover the joy of music right here during the school day. Learning an instrument is fantastic for building confidence, improving concentration, and developing fine motor skills in a playful, supportive environment. Spaces fill up fast, so secure your child's spot for the upcoming term. Please contact the teachers directly on the emails below.

Art Club – Volunteer Opportunity

We are looking for an art specialist who would be willing to volunteer their time and expertise to run an art club at school. Art is a key area of our children's learning, and we are keen to enhance our provision by offering our pupils even more opportunities to develop their creativity, skills and confidence through the expertise of members of our wider community. If you, or someone you know, has a passion for art and could support us with running a club, we would love to hear from you! Please contact the school office if you are interested or would like to find out more. Thank you in advance for your support!
