

As part of our upcoming **Harvest Festival celebrations**, we are asking our school community to come together to support our local foodbank again this year.

The foodbank has highlighted the following long-life items as urgently required:

- **Tinned goods:** Tomatoes, vegetables, soup, tuna, and meat.
- **Dry goods:** Pasta, rice, couscous, and cereal.
- **Jars:** Pasta sauces, jam, and peanut butter.
- **Essentials:** Long-life milk, fruit juice, tea bags, and instant coffee.
- **Toiletries:** Deodorant, shower gel, toothpaste, and nappies.

Thank you so very much for your continued kindness and support in helping us teach our children the value of community and sharing.
