

Thanks to your incredible generosity, we have handed over a fantastic amount of food and essential supplies to our local foodbank. The volunteers at the food bank were absolutely delighted and have asked us to pass on their deepest thanks to you all.

At a time when many are facing financial pressures, your willingness to think of others is truly inspiring. Beyond the physical items collected, this initiative has been a wonderful way for our children to learn about social responsibility and the power of community spirit.

Thank you for your continued support and for helping us make a real difference to local families.

Our Year 3 pupils had a fantastic time on their recent school trip to Charmouth Beach along the Jurassic Coast. The children became real-life palaeontologists for the day, eagerly exploring the shoreline and hunting for ancient fossils, bringing their science and history topics to life. The trip was not only a brilliant educational hands-on experience but also a wonderful opportunity for the children to develop teamwork and enjoy the beautiful Dorset coastline together.
