Dear Parents and Carers,

We are pleased to invite children in Years 3, 4, 5 and 6 to sign up for our new **KS2 Homework Club**, which will take place every Tuesday after school from **3:00–3:45pm in the Year 5 classroom**. This club will run throughout the academic year, providing a regular opportunity for children to complete their weekly reading and homework activities in a supportive environment. The first session will be **Tuesday 3rd November.**

We understand that some children find completing homework at home challenging, whether due to distractions, finding it difficult to concentrate or needing a little extra help with their understanding. Homework Club aims to provide the right conditions for children to focus, build confidence and develop positive independent learning habits.

During the session, children will have the opportunity to:

- **Complete their weekly reading:** Children can read independently, with their peers or with an adult. For children completing their weekly reads, I will also sign their reading diaries.
- **Complete paper-based or online homework:** Children can work through their assigned activities in a calm, structured environment.
- **Receive additional support:** Children who find homework difficult will have the opportunity to ask questions and receive support from both their peers and an adult to help develop their understanding.
- **Build independence and confidence:** The club will encourage children to take responsibility for their learning while knowing that support is available when needed.

Our aim is to make homework a more positive and manageable experience for children, helping them feel supported and better prepared for their learning in school.

How to sign up

If you would like your child to attend, please sign them up via **Arbor**.

The club will run every Tuesday from 3:00–3:45pm, and **collection will be from the Year 5 classroom at 3:45pm**.

We look forward to welcoming children to Homework Club and supporting them with their reading, homework and independent learning throughout the year.

All the best,

Mr Payne
Deputy Headteacher
