Dear Resident/Business

September 2026

Road Closure – Dorchester Road, Weymouth for Essential Gas Main Replacement

From **Monday 19 October,** for a duration of approximately **15 weeks**, SGN's specialist contractor, I&G Contractors Limited, will be replacing a section of gas main along **Dorchester Road**. These works are essential to ensure we can continue to provide residents and the local community with a safe and reliable gas supply.

Due to the location of the gas pipe within the road, and to ensure the safety of our workforce and the public, the following traffic management arrangements will be required:

Phase one - from Monday 19 October to 20 December

Road Closure - Dorchester Road will be closed between the junctions of **Milton Terrace** and **Monmouth Avenue**.

This will mean:

- No through vehicle access past the closure in either direction. A signed diversion route will be in place.
- Vehicle access to properties within the closure will be maintained where possible. Our site team will keep residents informed of local access arrangements.
- Pedestrian and cyclist access will be maintained through the closure.
- Bin collection days will remain unchanged unless residents are advised otherwise by their service provider.

Phase two - from 4 January 2027 to 19 March

One-way northbound directional road closure will be in place on Dorchester Road between **Monmouth Avenue** and **Icen Road**.

This will mean:

- Vehicles will not be able to travel northbound on Dorchester Road between Spa Road and Roman Close.
- Access to properties within the closure will be maintained via the southbound lane.
- Pedestrian access will be maintained. Cyclists will be required to dismount and walk through the works area, as no northbound carriageway space will be available.

Bus Services

Bus services will be affected by these works. We recommend passengers contact their bus operator directly for the latest information regarding route changes and temporary arrangements.

Information event

We appreciate you may have questions you would like to ask the team – we will be hosting an information event on **Thursday 8 October** at St Aldhelm's Church Centre (Upstairs Rooms), Spa Road, Weymouth DT3 5EW. Please pop in any time between **3pm and 7pm**.

We appreciate this road closure will be disruptive for residents; please can we assure you our engineers will be working as quickly and as safely as possible to complete these works.

If you need to speak to us about these works, you can contact our Customer Service Team by email at **customer@SGN.co.uk** or alternatively you can call them on **0800 912 1700**, they will direct your enquiry to one of the team for response. Progress updates will be posted on our website: **sgn.co.uk/our-gas-works/major-planned-projects**

We're sorry for the inconvenience our work causes and thank you for your patience and understanding.

Yours faithfully

Charles
