Dear Parents and Carers,

As we reach the end of my very first half term at our school, I want to say a huge thank you for the wonderful welcome and support I have been shown in these first weeks back. It has been an absolute joy getting to know all the children across the school over these past few weeks, and seeing how they learn, play, and care for one another has been a truly positive experience. I am also deeply grateful for your incredible generosity towards our recent events, including the book fair and our food bank donations.

I hope you all have a restful, wonderful, and safe half term break with your families. I look forward to seeing everyone during our parents' evenings in the first week back.

Last Week, Year 4 went to Leeson House. We had the best time . When we first got there, we sprinted around trying to answer all the questions while playing the bee game . Abbie told us all about the smugglers and showed us Spyway barn where they hid the brandy .They put hay bales and a bull in front of the brandy to stop people from finding it. We went on a night walk where we had to be quiet like smugglers and saw bomb craters from world war 2 .We went on a really long day walk that was 8 miles long. It was 8 miles long . The walk was 4 hours long .The girls just made their beds. While the boys were knocking on room 9 and running away .The food was amazing especially the pancakes.

On Wednesday 21st October 10:00 we went to Salisbury Cathedral. To have an hour long sing song. All the songs we sang were songs from iSing Pop. How we learnt all of them is someone from the team called Frankie [the singer] came to our class for the whole day. She taught us all the words and all the moves of the seven songs. Two weeks from that we had a one hour and a half drive to Salisbury Cathedral. My favourite part of being there was the questionnaire of Salisbury Cathedral. My favourite song was one called Joy. It's about happiness can always fade away but joy can always stay in our heart and can never come out and bring even more happiness.

Adam's team made it to the finals for the 2nd year running and lost out in a penalty shootout to a big Japanese team after drawing 2-2. He was awarded the Best player of the tournament and received a medal and a Cup. Well done Adam! We are all very proud of you.
